

# Joseph F. Buell, M.D.

231 Albert Sabin Way  
Cincinnati, Ohio 45267  
Office (513) 558-6010  
E-mail: joseph.buell@uc.edu

## EDUCATION

- 1987-1991 Doctor of Medicine, University of Rochester, School of Medicine and Dentistry, Rochester, New York
- 1984-1987 Bachelor of Arts, *Summa Cum Laude*, Major: Natural Science, Minor: Mathematics, Fordham University, New York, New York

## FACULTY APPOINTMENT

- 2000-2002 Assistant Professor of Surgery, Division of Transplant Surgery, Department of Surgery, University of Cincinnati, School of Medicine, Cincinnati, Ohio
- 2001-2002 Director, Israel Penn International Transplant Tumor Registry, University of Cincinnati, Cincinnati, Ohio

## POSTDOCTORAL TRAINING

- 1998-2000 Hepatobiliary, Multi-Organ Transplantation Fellowship, University of Chicago, Pritzker School of Medicine, Chicago, Illinois
- 1993-1995 Surgical Oncology Fellowship, National Cancer Institute, National Institutes of Health, Bethesda, Maryland
- 1997-1998 Chief Resident, General Surgery, University of Maryland Medical System and Shock Trauma Center, Baltimore, Maryland
- 1992-1997 Resident, General Surgery, University of Maryland Medical System, Baltimore, Maryland
- 1991-1992 Internship, General Surgery, University of Maryland Medical System, Baltimore, Maryland

## MILITARY SERVICE

1993-1995 Lieutenant, United States Public Health Service, stationed in Bethesda, Maryland. Honorably discharged

## HONORS AND AWARDS

2001 NATCO Scientific Recognition for Efforts in Organ Donation  
2001 Young Investigator Award, International Liver Transplantation Society  
2000 Young Investigator Award, Transplant 2000  
1999 University of Chicago, Golden Apple Teaching Award  
1998 University of Chicago, Student Teaching Award  
1998 Baltimore Academy of Surgery, Resident's Research Prize  
1997 American College of Surgeons, Trauma Paper Competition, Maryland State Winner  
1997 American College of Surgeons, Laparoscopic Top Gun  
1997 Southern Medical Association Research Grant  
1993 American Medical Association, State of Maryland Resident Delegate to the House of Representatives  
1989 American Cancer Association Summer Fellowship  
1988 Coordinator of General Hospital Summer Fellowship  
1987 *Alpha Sigma Nu*, Jesuit University Honor Society  
1987 *Summa Cum Laude*, Fordham University  
1987 Dean's Academic List, Fordham University  
1982 Eagle Scout Award

## MEDICAL SOCIETIES

Member, American Society of Transplant Surgeons  
Member, American Society of Transplantation  
Member, Transplantation Society  
Diplomate, American Board of Surgeons  
Candidate Member, American College of Surgeons  
Candidate Member, Association of Academic Surgeons  
Member, Society of Surgical Oncology  
Member, University of Chicago Surgical Society  
Member, University of Maryland Surgical Society  
Member, Maryland Medical and Chirurgical Society  
Member, Southern Medical Association  
Member, American Medical Association

**STATE LICENSURE**

- 1998 Department of Professional Regulation, State of Illinois
- 1993 The Board of Physician Quality Assurance, State of Maryland
- 1992 Department of Health and Mental Hygiene, State of New York
- 2000 State Medical Board of Ohio, State of Ohio

**PROFESSIONAL AND RESEARCH EXPERIENCE**

- 2001-2002 Tumor Registry: Director of the Israel Penn International Transplant Tumor Registry
- 1993-1995 Surgical Oncology: National Cancer Institute, National Institutes of Health, Bethesda, Maryland. Molecular Biology Application of Tumor Necrosis
- 1993-1996 Factor, Alkalating Chemotherapy, and Hyperthermia Research in vitro and in vivo. Dr. DL Fraker, HR Alexander, SA Rosenberg.
- 1993-1995 Isolated Hepatic Chemotherapeutic Perfusion: National Cancer Institute, National Institutes of Health, Bethesda, Maryland. Mini-pig isolated hepatic perfusion with cisplatin, hyperthermia and, biomodulators. HR Alexander.
- 1989-1990 Transplantation Surgery: The Children's Hospital, Boston, Massachusetts. Clinical research in ABO incompatible orthotopic liver transplantation. Large animal, living related orthotopic lung segment transplantation research. Dr. CW Lillehei.
- 1989 Medical Oncology Student Fellowship: The Dana Farber Cancer Institute, Boston, Massachusetts. Clinical Oncology and Research Summer Fellowship sponsored by The American Cancer Society. Dr. G Canellos.
- 1988 Medical Student Instructor: Franklin General Hospital, Long Island, New York. Student Instructor for Clinical Summer Fellowship for students interested in Medical School. Dr. Leviton.
- 1986-1987 Emergency Medical Technician: St. Vincent's Hospital and Medical Center, New York, New York.
- 1985-1986 Research Assistant: Memorial Sloan-Kettering Medical Center, Department of Endocrinology, New York, New York. Molecular biology of the alpha segment of the thyroid-stimulating hormone. Dr. I Kourides.

1985-1987 Research Assistant: Fordham University, Department of Natural Science, New York, New York. Characterize Hemocyanin's protein and electronmicroscopic structure for the evaluation as an alternate oxygen carrying system.  
Dr. M Hamilton.

**TEACHING**

- 1) Co-Course Director with Dr. Eugene Cho: Laparoscopic Donor Nephrectomy Course, Chicago, Illinois August 6, 1999.

**INVITED LECTURES**

- 1) Current Strategies in Pediatric Liver Transplantation: Living-Related and Split Liver Transplantation. Grand Rounds, Georgetown University Medical Center, Washington D.C., November 3, 1999.
- 2) Management of Blunt Diaphragmatic Traumatic Rupture. Grand Rounds, University of Chicago, Chicago, Illinois January 26, 2000.
- 3) Blunt Aortic Injury: Diagnosis and Management in the Multi-Trauma Patient. Grand Rounds, University of Chicago, Chicago, Illinois April 3, 2000.
- 4) Innovations in Laparoscopic Donor Nephrectomy. Transplant Grand Rounds, University of Cincinnati, Cincinnati, Ohio September 16, 2000.
- 5) Currents in Laparoscopic Donor Nephrectomy. Nephrology Grand Rounds, University of Cincinnati, Cincinnati, Ohio October 6, 2000.
- 6) Are Concerns Over Right Laparoscopic Donor Nephrectomy Unwarranted? Surgical Grand Rounds, University of Cincinnati, Cincinnati, Ohio January 17, 2001.
- 7) Impact of Immunosuppression on the Development of Post Transplant Lymphoproliferative Malignancy in Organ Transplant Recipients, Third International Meeting on Post Transplant Lymphoproliferative Disorder. Berlin, Germany February 17, 2001.
- 8) Laparoscopic Nephrectomy for Organ Donation and Malignancy. Surgical Grand Rounds, Jewish Hospital, Cincinnati, Ohio March 18, 2001
- 9) Transmission of Cancer from Organ Donors During Transplantation. AST/ASTS: Maximizing Use of Organs Recovered from the Cadaveric Donor, Crystal City, Washington DC March 28, 2001.
- 10) Malignancies in Female Transplant Recipients. Transplant 2001, Chicago, Illinois May 17, 2001.
- 11) Innovations in Hepatic Resection. Surgical Grand Rounds, Good Samaritan Hospital, June 8, 2001.

- 12) Transmission of Donor Transmitted Malignancy in Cardio-Thoracic Transplant Recipients, Surgical Grand Rounds, University of Cincinnati, Cincinnati, Ohio June 15, 2001.
- 13) Corticosteroid Withdrawal in Liver Transplantation. AST Consensus Conference, Chicago, Illinois September 28, 2001.
- 14) Malignancies in Female Transplant Recipients. Transplant 2002, Washington DC.
- 15) Post Transplant Malignancies: A Report from the Israel Penn International Transplant Tumor Registry. International Transplant Society 2002, Miami, Florida.
